2025 SEASON

WHY CHOOSE LEVITATE?

The Dance Competition

Has entering a dance competition ever left you feeling deflated?

Or does the thought of it intimidate you?

We are here to show you that competitions can be healthy, friendly and mostly, rewarding!

Our first ever in person festival will be one to remember. Bringing to Henley our friendly and inclusive competition. A perfect opportunity for newcomers or seasoned dancers to perform your wonderful choreography in front of an independent and professional adjudicator.

Here at Levitate, our focus is productive and rewarding feedback. Each and every dancer will receive tailored feedback on their entry to help them progress further, regardless of their placement. All entries have the opportunity to select **mark/no mark**. This means if a student doesn't place, you can choose to have us watch your entry and only give feedback, not mark it, if you're looking for less pressure.

We also offer novice sections for our Teen and Inters. Novice for us defines dancers who have been dancing in their chosen style for less than 3 years. We want to include dancers who may have started at a later age!

As if you needed more reason to showcase the talent at your school, we give out medals, certificates and trophies for placing an additional rewards like "Best Dressed." As well as a loyalty card that gets stamped with your schools entry, offering benefits and rewards for competing with us.

We want to see you at our festival, enrol today as an individual or through a school!
